

From the Principal ...

I would like to start the second newsletter for 2020 with a thank you to all the parents of Year 9, 10 and 11 students for their support as we added an additional Transition Day for all students in Years 8 and 12. The two days have allowed us to put in place structures to support both year groups with this very important juncture of their schooling life and would not have been possible without your support, thank you.

A school is a complex organisation in which I always ask parents to contact us when they have concerns or to discuss any myriad of subjects. We will always endeavour to resolve parental or community questions promptly. However, to avoid unnecessary delays I would like to highlight the relevant people who should be contacted to expedite any queries. Please also ensure your contact details are up to date:

For year level matters:

Years 8 - 10 – Assistant Principal Jeanette Terry

Years 11-12, Senior School/VET/SACE – Assistant Principal Hillary Trotter
ILC Manager -Tammy Cane

Faculty Coordinators:

Sarah Edwards - Maths/Science/Agriculture

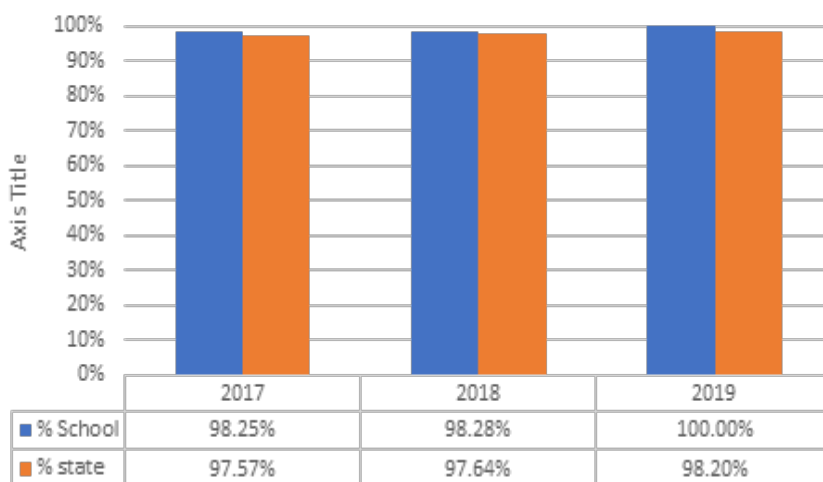

Nicola Chant - English/Humanities and Social Sciences/LOTE

Kari Thomas- Tech/Arts/ IT/ Health/PE

Lisa Riley - Student Engagement and Wellbeing

As our wonderful graduates of 2019 venture forth into their forever after, I would like to take some time to reflect on their results as well as to thank the dedicated teachers at our wonderful school. 2019 saw us return again to a 100% SACE completion rate since 2016. A magnificent result which reinforces our school adage "Every student. All of the time. Without Exception."

NHS hats are available for \$9.00 from the Front Office.

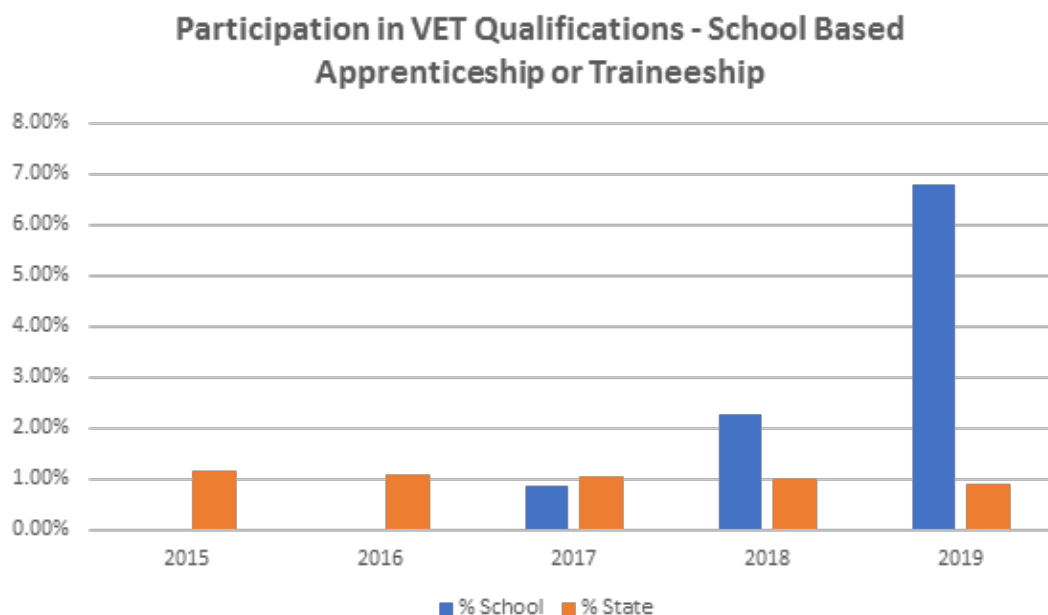

Please email all newsletter items to:
dl.0786.info@schools.sa.edu.au

To make this wonderful SACE completing result a reality, the students of 2019 attempted 224 subjects of which 223 attempts equated to a successful completion grade. The below table showcases the grade distribution.

Grade	A+	A	A-	B+	B	B-	C+	C	C-
Total	3	15	23	29	22	27	31	59	14
% total	1.3%	6.7%	10.3%	12.9%	9.8%	12.1%	13.8%	26.3%	6.3%

2019 also saw us increasing the opportunities for students to obtain their SACE, using flexible options. In 2019, 13 students completed one or more VET units of competency, contributing towards a School Based Apprenticeship or Traineeship. This is a huge increase when compared to 5 students in 2018.

Student progress at Naracoorte High School is constantly assessed against the Australian or SACE Curriculum. Assessment is related to each child's ability and specific areas that have been covered in teaching. Reporting against the established criteria, or performance standards, identifies areas of concern and enables strategies to be put in place to help students improve.

Reporting involves communication between the teacher, the student and the parent about progress, strengths and areas for improvement.

In 2020 Naracoorte High School will move toward increasing the number of Parent Teacher Student Conferences and removing teacher comments on reports. This process will allow us to build a strong partnership between parents and teachers in order to help each student reach their full potential. We will be providing four formal grade reporting cycles and four interim (mid-term) reporting cycles.

Report Type:

Progress Reports (Grade) End of Term 1 and 3

Semester Reports (Grade) End of Term 2 and 4

Interim Reports (Stoplight) Mid-Term 1, 2, 3 and 4

Each Progress and Semester reporting cycle will include Parent/Teacher/Student Conferences to enable a conversation about the student's learning and progress.

Could I ask parents not to park on the right-hand side of the driveway. Please keep to the left side to enable safe access for school buses to manoeuvre to pick-up and drop-off zones. Please observe the “One Way” traffic conditions when entering or leaving the school.

I remind parents of the Governing Council AGM on Wednesday 4th March, beginning at 6.30 pm. Parent participation is a vital element in every school, providing policy development and supporting the liaison between parents and the school. I encourage parents to consider nominating or to show support for the school by attending the AGM.

*Regards,
John Harris, Principal*

FINANCE NEWS

MATERIALS AND SERVICES CHARGE (M&SC) 2020

This year's charge is \$480.00 which includes a student ID card. The ID card will be processed by the school photographer, taken on the 11th February 2020 and will be issued to students when received.

Thank you to everyone who has finalised their accounts or taken advantage of the instalment plan offer. Payments for your invoices can be made by instalments with cash, cheque, eftpos, (debit your credit card, savings or cheque account) Centrepay or direct credit to the School's bank account. Naracoorte High School's account is BSB 105-043, Account No. 185012140 and the reference is the student's name.

School Card assistance (allowance of \$322.00) is available to eligible families to use against their M&SC invoices. Please apply at sa.gov.au/education/schoolcard or enquiries can be directed to Charlene Grant.

In December 2019 a poll was conducted by the Governing Council to seek the school community's support to recover the unpaid fees, up to the full \$480.00 through debt collection. We wish to advise that the poll was successful.

Please do not hesitate to contact the school at any time if you have any problems with payments, as we are willing to negotiate and help wherever we can.

Charlene Grant – Finance Officer

INTRODUCING OUR NEW STAFF.....

Hi, my name is Douglas Fraser and I've just recently moved from Adelaide to Naracoorte to teach Maths and Science. I will be teaching Year 8 Science, Year 9 and 10 Maths, and Stage 1 Physics. Before coming to Naracoorte, I completed two placements at Mark Oliphant College and at the Australian Science and Maths School (ASMS). This is my first teaching position and I am very much looking forward to it. Before becoming a teacher, I studied Mechatronics Engineering at Adelaide University. My hobbies include video games, tabletop wargaming and anime. I very much look forward to my time in Naracoorte.

SENIOR DRAMA

Antipodean Postcards – on the road to Adelaide Fringe Festival 2020

AND THAT IS A WRAP, BUT NOT THE ENDING YET...

We'll be back in early June 2020 performing *Antipodean Postcards* in Naracoorte at an exciting new venue. The same great cast, a few new songs and the same captivating storytelling of how we deal with the unexpected and find our way.

Firstly are the 'thank yous', these are not for the last line, because without their support this exciting opportunity would not have even gotten on the bus:

- Myles Higgs and Nathan Miles of *Miles & Myles*, for allowing us to use their exciting new play and for guiding us in their vision of such a beautiful piece of contemporary writing
- Martha Lott and all the staff and volunteers at Holden Street Theatres. What a beautiful setting to tell our story

- Dr. Paul Tosch and all the staff and residents @ Lincoln College for making us feel so welcome and accommodating our ensemble
- Our inspiration from Phil Grainger and Alex Flanagan Wright @ the Flanagan Collective & Gobbledigook Theatre's. Their story telling is in our hearts and the imperative of telling stories has never been more serious.
- Mr John Flint, our guru for the weekend, his patience and encouragement in what is a demanding work environment was magnificent.
- The family and friends who came to see our show, some multiple times. Wow, making a connection with our audience was this project's destination which we are so proud to have achieved.
- The friends and family who could not make the travels to the Adelaide shows, but none the less were there in our hearts. Your support over the last year has kept us all going.

The amazing messages sent from around Australia, scrawled on the back of Retro Postcards shared with the cast are a sentiment to the importance of building and maintaining our story telling connection.

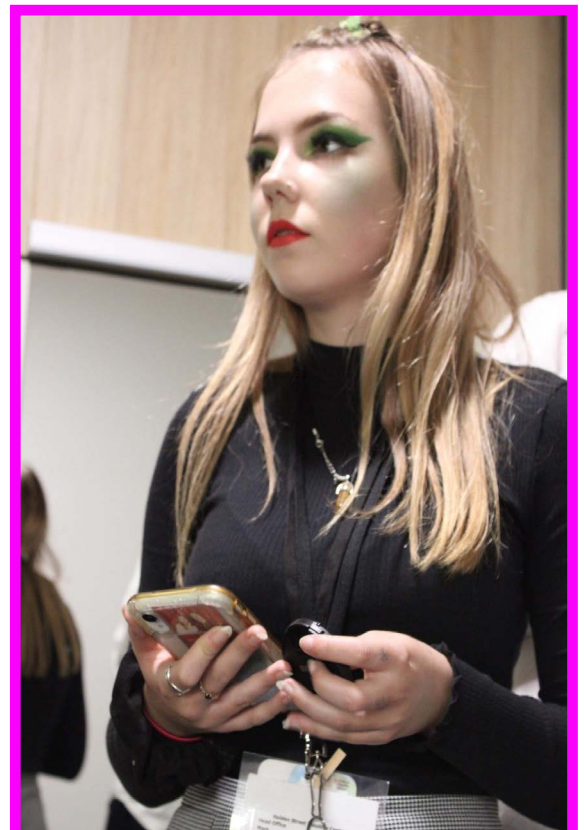

The opportunity to take a well written new and exciting contemporary Australian play to 60th Anniversary Adelaide Fringe Festival has been a labour of love for the last 12 months. The creative team and talented cast worked to achieve this with style and sophistication.

The Year 11 and 12 Drama students who have been dedicated to Antipodean Postcards have shown a high level of professionalism. Students spent the extended weekend in gruelling rehearsals. Every day polishing and refining, walking around the city together to promote their performance, participating in workshops, stepping out and meeting other artists from Australia and around the world. Then performing night after night to the top of their game.

What a lot was packed into this last weekend and it's hard to believe the hype and dazzle of performing has come and gone so fast! Yet, always the next performance project is just around the corner, the next concert, the next play, the next collaboration to create something new to share.

KNOCKOUT CRICKET

On Monday the 10 of February, Lucas Bald, Remi Brown, Will Moorehouse, Bailey Aitken, Tom Ellis, Max Midwinter, Myles Bittner, Harry Schroder (Captain), Lachie Pulford and Seb Volker travelled to Penola to compete against Penola High and Millicent High in the Open Boys Cricket. The first game was played between Penola and Naracoorte, Naracoorte won the toss and elected to bat first in overcast conditions. The two opening batsman were Lachie and Sebastian.

Unfortunately, in the early overs of the game, Lachie was caught for a duck. Next to bat was Remi. Both Remi and Sebastian built a solid partnership trying to put Naracoorte into a winning position, both putting on over 20 runs each, Sebastian finishing with a well-deserved knock of 40 off 20 balls. Remi also finished the innings with a nice little knock of 23 runs and was well supported by the other batters in the line-up with Naracoorte finishing with a final score of 87 runs.

After the small break between innings Penola went out to bat, with Sebastian taking the new ball and starting his first over of the day and finishing with 2/8 off his four overs. The other opening bowler was Tom, getting an early run out in the second over, taking out one of Penola's opening batsman. The Naracoorte team fielded well with some good catches and quick returns to the wicket. Unfortunately, Penola was too strong and reached the required total in the 11th over, but the game was played out to the end. As this was a Knockout competition, the loss meant that Naracoorte did not play Millicent.

A huge thank you to Jim Moorhouse for coaching and umpiring the game and to Ms Chant for supervising us on the day.

INTERSCHOOL SWIMMING

On Friday the 14th nine students participated in the Interschool swim team in Mount Gambier.

Students participated as part of the 'Combined Schools Team' which consisted of students from Penola High, Millicent High, Naracoorte High, and Kingston Area School.

Overall the team finished 6th, however there were some stand-out performances from some of our swimmers against tough competition.

Ribbon winners were: Ella Longbottom 2nd Open Girls Backstroke, Chelsea Durant 3rd U/15 Girls Freestyle, Poppy Moyle-Read and Zoe Brown 2nd U/16 Girls Freestyle Relay and Ella Longbottom, Chelsea Durant, Lucy Koch and Emily Foster 3rd U/15 Girls Freestyle Relay.

A big thank you must go to Mandi Brown who attended as a parent helper on the day.

It was a fantastic day and all students should consider participating next year.

Lions Youth of the Year 2020

On Monday 17th February, five Year 12 students competed in the Naracoorte leg of the Lions Youth of the Year Quest. Ashlea O'Shaughnessy, Cleoni Trussell, Jamin Ireland, Jamie Sincok and Olivia Neagle had been preparing for the competition for many weeks, prepping their speech topics, practising impromptu presentations, as well as brushing up on their general knowledge. On top of this, all competitors had to submit a detailed application form, displaying their academic achievements, as well as skills in leadership, citizenship and sports over the past two years.

On the day of the speeches, each student had a 45-minute interview with the judging panel, where they were asked a range of questions to verify their applications and test their general knowledge.

In the evening members of the Lions Club, the judges, students, families and NHS staff gathered at Billy Macs to hear the students speak. The students were given two impromptu speech topics which tested their speaking skills and their ability to think on the run. The topics were around whether they thought technology was having a positive or negative impact and whether they believed climate change was real. It was clear that the students drew on a range of knowledge from subjects they study and information they have read previously to form their answers.

They then went on to present their 5-minute prepared speech. Each student presented a very different topic and made efforts to persuade the audience to their point of view. The importance of encouraging young people to take on Agricultural pathways was made clear by Cleoni. Olivia spoke about the

importance of removing the stigma associated with men's mental health in rural communities. Ashlea encouraged the audience to ditch their passports and explore the beauty that Australia has to offer. Jasmin highlighted the importance of education for all, making a strong link to how lucky we are in Naracoorte to have the amount of access we do. Making connections and the importance of listening to elders in our lives was the focus of Jamie's speech and she drew on personal experience to drive her point home.

It was a very close competition as each student had clearly put their points forward in a passionate and persuasive way. Ross Gleeson of the Lions Club stated that the students were exceptional and that if these students are leaders in the future then we are in good hands.

Congratulations must go to all the students, with a special congratulations to Olivia Neagle who won the prepared speeches and was named the overall winner of the Naracoorte section of the Lions Youth of the Year Quest.

The School received some wonderful feedback from the night about our students which we would like to share:-

"Cleoni made me so proud to work in agriculture, sharing some very important roles that are available to all walks of life and educating people of the vital importance agriculture has in our future. Ashley made me want to 'put away my passport' and see the wonders in my own backyard, which is so topical right now given the affects the bushfires are having on our tourism industry. Jamie made me cherish the conversations I get to have every day with all generations, reminding me how lucky I am to get to do this and to not take it for granted. Jasmin struck a chord with her debate on education, motivating me and making me want to do more to provide opportunities to all. Lastly, Olivia made me want to make our government accountable to the role they need to be playing in providing funding for men's mental health in rural areas but also reminded me that it starts right here with us, today. So thank you, to the 'class above' of girl power. I have no doubt that they all have very bright futures ahead of them!"

Red Cross - Creative Abilities Exhibition

Australian Red Cross invited artists with disabilities, visual or hearing impairment, learning or intellectual disabilities to enter an original piece of artwork in recognition of International Day of People with Disabilities 2019. Two of Naracoorte High School's students were encouraged and supported in submitting a piece of framed and canvas artwork. The exhibition took place at the Millicent Public Library between the 2nd to 13th December 2019.

We were fortunate enough with Alex Hunn winning the Youth Artist category for his recycled lids titled "Circular Elusion". It is a representation of all students regardless of shape, colour and size. Alex won a \$100 gift

card, as did Naracoorte High, for purchasing of resources for disability programs. Well done Alex and thank you Donna for supporting him.

BULLYING. NO WAY!

SAFE AUSTRALIAN SCHOOLS.
TOGETHER.

Dear parents

At Naracoorte High School we aim to create a safe and supportive school community for everyone.

You are an important part of our work to prevent bullying and to respond effectively if it happens. Stopping bullying involves everyone.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story. Your calm response is important to allow your child to tell you all about the situation. After they've told you their story, ask questions to get more details if you need: who, what, where, when. Although you may feel some strong emotions about your child's experience, try to keep calm to avoid more distress to your child.
2. **Reassure** your child they are not to blame. Many children blame themselves and this may make them feel even worse. You could say things like, 'That sounds really hard to deal with. No one should have to put up with that.' or 'I'm so glad you told me. You should be able to feel safe at school; that's not fair at all'.
3. **Ask** your child what they want to do and what they want you to do. A critical part of your response is to avoid jumping in to solve the problem. While it is natural to want to protect your child, helping them to find their own solution is a better option. It helps them feel they have some power in the situation.
4. **Visit** www.bullyingnoway.gov.au to find some strategies. The website has tips and ideas for different bullying situations. One idea is to practise strategies at home to help your child feel more confident.
5. **Contact** the school. Your child may be reluctant for you to do this, so discuss the idea and reassure them that the school would want to know and is able to help. Make an appointment to meet with your child's teacher and, if you need to, ask to talk with the principal. Contact the school immediately if you have a concern about your child's safety.
6. **Check in regularly** with your child. Keep the conversation going. It can take time to resolve issues, so check in regularly with your child about their experiences and their feelings. Your ongoing support is important.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story.
2. **Reassure** your child that they are not to blame.
3. **Ask** your child what they want to do about it and how you can help.
4. **Visit** www.bullyingnoway.gov.au to find some strategies.
5. **Contact** the school.
6. **Check in** regularly with your child.

If you are looking for support for yourself to deal with a bullying situation, you will find ideas on the Bullying. No Way! website for parents. As well, please feel free to contact the school if you would like to discuss any aspect of our approach to preventing bullying.

Thanks for your support to make Naracoorte High School a great school for everyone.
