

## **EXTRA-CURRICULAR EVENT POLICY**

### **AIM**

- To have Naracoorte High School seen as a school with high achievement in Extra-curricular events
- To widen knowledge and community connections
- Develop the student perception that extra-curricular events are a privilege not a right
- Increase participation in whole school other events
- Provide extra educational options, whilst ensuring students maintain their academic results

### **GUIDELINES**

- To participate in extra-curricular events, students must engage in mainstream lessons on a daily basis
  - If a student is unable to participate on this day due to illness or injury, a parental note or doctor's certificate will be required.
- If a student is externally suspended during the term, this will exclude them from participation in Extra-curricular events for that term. If they are suspended in the last two weeks of a term, this consequence may carry over to the next term.
- Community Service, Internal Suspension and Amber/Red Stoplights may also preclude students from participating in events for the term that they were identified as at risk in.
- Attendance will also be looked at when selecting teams to represent the school. If a student is away for too many days this will also affect whether they are chosen to represent the school in an extra-curricular event.
- Each student will be considered on a case by case situation. The Faculty Coordinator and/or Key Teacher along with the Wellbeing and Engagement Assistant Principal will have the final say, in the area of community service, internal suspension, stoplights and attendance.
- All students need to understand that any work that is missed due to representing the school must be caught up, with extensions negotiated with the teacher beforehand. If a student does not adhere to this rule this may prevent them from attending further Extra-curricular events. This will be communicated via the student email system to make parents aware of work missed.
- Irresponsible behaviour will not be tolerated. Students are expected to represent the school to their highest possible standard. If this is not done, they may not be considered for other events or sports.
