

From the Principal ...

Welcome back to the last quarter of the 2020 year. I hope you have all enjoyed your break. Term 4 is an essential term for all our students. Year 12 students still have a few weeks left with time to finalise assessment tasks and continue to prepare for exams. However, I would encourage all students to review their reports and speak to teachers about how they could possibly improve.

I wish to congratulate the 215 students who received passing grades for all subjects attempted in their Term 3 reports. This is an improvement of 5% on the equivalent reporting cycle in 2019 – a fantastic effort and one which we hope to build upon. I would also like to take this opportunity to acknowledge the academic endeavours of Ashlea O'Shaughnessy, Hannah McInnes, Poppy Moyle-Read and Zachary Pope in achieving an "A" grade in all subjects attempted.

Over 2020 we have been working hard planning an upgrade to the entire ICT network of Naracoorte High School. The last time any major work was undertaken was over ten years ago. The upgrade will allow our students and teachers to take full advantage of the Government's SWIFT internet. It has also increased wifi conductivity to ensure we no longer have wifi blackspots in any classrooms. The Network was upgraded over the recent school holidays and it has worked perfectly, even coping under the burden of all students from Years 8 to 10 participating in PAT testing last week. This substantial development would not have been possible without the generous support of the Naracoorte Equipment Trust Fund. Thank you to Graham Brammer, Peter Grieve, Malcolm James, Graham Drew, Prue Nankivell and Marlene Bull for making this possible.

Our Year 7 to High School Committee has been meeting regularly to plan the inclusion of Year 7 students into High School in 2022. We are planning an Information Night in Week 7 where we will be able to speak with prospective Parents/Caregivers about how Naracoorte High School will provide inclusive education to Year 7 students and also allow Parents/Caregivers to give us feedback on our intended direction.

This week will be the first week for After School Support. Most parents know that our hard-working Maths teachers have been running a homework session on Thursdays from 3.30pm to 4.30pm for several years now. Starting this week, Maths After School will now be incorporating English and HASS! After School Support is held in the Library on Thursdays from 3:30 pm until 4:30 pm and students will be supervised by teachers across their core subjects.

SCHOOL DIARY DATES

TERM 3

October

- 22nd Yr 10 Girls Basketball
- 23rd Yr 12 Celebration Day
- 26th-30th Yr 12 SWOT VAC
- 28th Yr 8/9 Tennis

November

- 2nd Mathematical Methods Exam
- Essential Maths Exam
- 4th General Mathematics Exam
- Finance Meeting 6pm
- Governing Council
- Community meeting 6.30 pm
- 5th Specialist Mathematics Exam
- 6th Biology Exam
- Spanish Exam
- 9th 5-a-side Soccer
- 10th Chemistry Exam
- 11th Lawn Bowls
- Psychology Exam

HATS

ALL STUDENTS must wear hats when outdoors when the UV Index is above 3.
NHS hats are available for \$9.00 from the Front Office.

Please email all newsletter items to:
dl.0786.info@schools.sa.edu.au

Finally, I would like to say thank you to all the excellent teachers we have at Naracoorte High School. I would especially like to recognise all staff of Year 12 classes and the magnificent effort they put in around this time of year by conducting weekend catch ups, after school tutorials and holiday classes. Thank you for your support of our students.

Due to COVID-19 restrictions, the 2020 Presentation Assembly will require a format change to ensure we can meet social distancing protocols. After consultation with the Governing Council, this year's Presentation Assembly will take place during the day, on Tuesday 8th December, between the hours of 10.30 am – 12.30 pm for all school students and sponsors. Unfortunately, with the current requirements of no more than 1 person per 2 square metres in an enclosed space applying to adults, we cannot accommodate parents. The event will be video recorded and shared via a Youtube link on Facebook. I apologise for the change to this year's format and thank you for your understanding in these current challenging times.

*Regards,
John Harris, Principal*

Student Achievement

Congratulations to Ashlea O'Shaughnessy, Hannah McInnes, Poppy Moyle-Read and Zachary Pope in achieving an "A" grade in all subjects in Term 3 and to all of the following students who received a passing grade for all subjects last term.

Abbie Michael	Eliza Bull	Kayla Wellington	Remi Brown
Aidyn Davis	Elizabeth Bird	Kayne Backler	Rose Pfitzner
Alice Tidy	Ella Bellman	Kelsey Grigg	Rosecean Uyanguren
Amanda Brito Nunes	Ella Boston	Khalahni Edwards	Rosie Grundy
Amelia Frick	Ella Jones	Kiele Longbottom	Ruby Sambell

Total Materials and Services Charge (excluding Subject Charges)		\$480.00

These subject charges are in addition to the Materials and Services Charge above for those students undertaking the following subjects.

Subject Description	Cost (\$)
Year 10, Year 11, Year 12 Outdoor Education	\$130.00
Year 10, Year 11, Year 12 Physical Education	\$130.00
Year 10, Year 11, Year 12 Design & Technology - Materials	\$65.00
Agricultural Pathways	\$100.00
	\$0.00

Dear School Community:

The watermarked "Notice" indicates the Materials & Services Charge for 2021 of \$480.00, along with subject charges for Outdoor Education, Physical Education, Design & Technology – Materials (Woodwork & Metalwork) and Agricultural Pathways.

You are invited to attend an upcoming Governing Council meeting to be held on Wednesday 4th November 2020, 6.30pm at the School Library where this charge will be discussed prior to approval being sought.

If you are unable to attend this meeting you can express your views in writing to the Chairperson of the Governing Council, Andrew Shepherd, prior to the meeting. If you require further information, please contact the school on 8762 1333.

OPEN GIRLS FOOTBALL

On Wednesday Week 10, the Open Girls Football team headed to South Adelaide to take on Gleeson College for a chance to win the Pool B Open Girls Football State Championship.

Once again we were provided with superb conditions for footy. The sun was shining however, we knew wind would play a factor in the game. The girls were up and about, with lots of talk and enthusiasm from the word go.

Right from the first bounce, it was game on. Gleeson won the centre clearance, delivering the footy into their forwards and putting the first goal on the board. This set the tone for the rest of the game and we instantly knew we were in for a fight. Our defensive line, lead by Kelsey, Cleoni, Chloe, Serenity and Stella held strong. However, we came into the quarter time huddle down by 3 goals. Heads were up going back into the second, knowing we had the wind, with new ruck-women in Bree and Shandine replacing Mykaela who was down for the day with concussion. Our tough and very capable midfield in Ella J, Ella L, Sophie and Reece, never gave up, running and tackling all game long. The wing saw many different faces, with Tahlia, Milly, Taya and Ellise all running hard and getting amongst the action, however Gleeson were able to put a couple more goals on the board in the second term. The game definitely didn't feel out of reach, even though the scoreboard may have said otherwise.

Throughout the game, Ms Dahlenburg wasn't afraid to make changes or try something new, so many different combinations were trialled all over the field, swinging Ruby, Masooma, Masoma, Ebony and Ashlea to whatever end they were needed, knowing they would do their role. After a pump up from Ms Dahlenburg at half time, the intensity of the game lifted, and the girls went out there to get their knees dirty. The contest was tight and quite rough, but Gleeson were playing a brand of footy that was first class, meaning we were still struggling at three quarter time. Our goal for the last quarter was to finish off the game, playing hard and strong footy and we all agreed that dobbing a goal or two wouldn't hurt either. Thankfully due to a ripper passage of play with some beautiful marks and kicks from some of our senior girls, Bree was able to finally kick our first goal showing our hard work finally paid off. Gleeson won the game convincingly however, every single one of our girls should be super proud of their efforts. Not only on Wednesday, but in the first two rounds as well. Making it all the way to the State Final and coming runners up is a very impressive effort girls.

From NHS entering their first Open Girls team last year, hoping to see some girls go out there and have some fun. To making it all the way to the State Final in 2020, we can definitely say girls footy has been put on the map at Naracoorte High.

The biggest of thank yous must go to everyone who has helped out and supported us over the three rounds, however, particular mentions go to our boundary umpire and water boys in Caleb and Jacob, our injured but a legend of a runner, Parker, our awesome Team Manager, Mel Hutchesson and our wonderful assistant coach, Chloe Long. Last, but definitely not least, we would like to thank Chelsea Dalenburg for being our super coach. We couldn't have gotten to where we did without you! Well done girls. Every single one of you should be so proud. Always remember to hold your heads high!

Ashlea O'Shaughnessy
Yr 12

AG UPDATE

This year's Sheep Team experience was very different to previous due to COVID 19. We were very fortunate for the competition to go ahead because it was the only event happening during the Adelaide Show week.

The South Australian Merino Breeders committee had extremely strict rules that each school had to follow and adhere to. The committee stated that each school were only allowed to bring six wethers, which meant that only six students were able to attend the competition. Miss Dahlenburg had a very tough decision to make. She asked the whole team to write their names on a piece of paper then drew only six names out. They were the team who were going to Adelaide. It was very difficult for those that missed out, but they were still part of the team and were able to help with the preparation.

When we arrived at school on the Tuesday, everyone was busy getting the sheep ready and packing the bus and trailer. The trailer needed a tarp put around the inside so the sheep didn't get wet. We had to pack the sheep feed as well as all the other items that were needed for the grooming of the wethers, along with our own sleeping bags and overnight bags, plus food. Once we had loaded the gear we hooked the trailer up to the bus and we were ready to load the wethers. Miss Dahlenburg reversed the trailer to the ramp and we loaded the sheep from the cattle yards straight onto the trailer. Everyone helped with this. Finally it was time to leave and off we headed. When we got to the OTR at Tailem Bend we checked the sheep, which were all holding up well. Mr Moos then took over driving the rest of the way to Adelaide.

We got to the Wayville Showgrounds and there was a line up to unload the sheep. Some of the team were instructed to go into the sheep pavillion and put all of our gear in our pens. Henry and I were asked to put the halters on the sheep, so we could unload them into the pavilion. All the other schools were arriving at the same time so this made it all very busy and congested. Once we had finished setting up our sheep, we went and helped the other schools by filling up their water buckets for them.

We stayed at the Warradale School Camp with two other schools, Jamestown and Gladstone. It was fun meeting a new group of kids that were all interested in the same thing that we were doing. We all had pizza together that night.

The next morning we had to be up at 5.30am to leave for the showgrounds. Once we arrived, we fed the sheep lucerne hay and a protein mix as well as gave the sheep water.

Steven, who coordinated the day, gave us strict instructions on how the day was to run due to the regulations of SA Health. We all had to pay attention. Because of COVID-19 we couldn't line all of the school sheep up as in previous years so we had to do them in heats. Our first team showed their three sheep but unfortunately we didn't make a place in that heat. Those three sheep got shorn and they were out of the competition. The next team was in Heat 5, so there was a little bit of waiting around. We all went with Miss Dahlenburg and Mr Moos and had a chat about how we can improve for the next heat and what were the positives that we had learnt as well.

AG UPDATE

The next group of sheep handlers were ready to go for Heat 5, which I was in. Our sheep were lined up with their backsides facing the judges and the judges asked me to walk my sheep forward and then return which he did perfectly and I was given a sash, which meant I had got into the next round. Unfortunately the other two weren't successful. This meant that all three sheep had to be shorn. The reason for my sheep to be shorn was so it made it more difficult for me to handle him because after they come off shears they are more flighty.

The next round started at 3pm. I had to line up with all the other contestants that had won their heats and the judges went through the sheep again. The judges walked up and down the line checking for the skills of the handlers and how well the sheep presented. This took a long time. The judges then presented the ribbons out to the top four sheep handlers and unfortunately my sheep didn't behave as well as the others and I didn't get a place.

After this had finished the judges called two people from every team out to present the overall ribbons. Lachy and Henry were asked to take two top sheep out for the overall presentation. Unfortunately, Naracoorte wasn't successful this year.

Once the days proceedings had finished, it was time to load all our gear up in the bus and trailer and head home. The sheep stayed at the Showgrounds to be loaded on a truck the next day for the markets.

We learnt some good lessons in sheep handling, the way the wool market is going at the moment and how everyone works well as a team. As this was the first time for everyone attending a Show we have gained good experience to use for next year, considering the effects of COVID-19.

*Eddie Hillier
Yr 8*

Congratulations!

Well done to our Year 12 student, Kelsey Grigg for embracing her Aboriginal artistic skills. She has now sold her latest artwork to Paul Vandenberg, Director of Aboriginal Programs at Port Adelaide Football Club!

Congratulations to Angus McKenzie who was a joint winner of the KNTFL Under 17 Ted Lehmann Medal for Best and Fairest votes for the League. Also to NHS students Jake Shepherd, Sam Pridham, George Malone and Remi Brown and former student, Charlie Hillier who were selected from the South East teams to compete in the Under 15 Glenelg Academy and Championships held in Adelaide over the school holidays. They were undefeated playing against Central Districts, North Adelaide and Sturt.

Governor's Reception

Well done to our School Captains who attended the recent Student Leaders Reception upon invitation from His Excellency, Governor of SA Hieu Van Le. The reception was held at the Adelaide Convention Centre and was an amazing opportunity for our School Captains to network with other leaders from across the State.

SCHOOL MAGAZINE 2020

Orders are now being taken for this year's School Magazine. It will be neatly bound and in full colour.

Last years magazine was a resounding success, so order yours NOW!

The cost for this magazine will be \$21.00 and orders must be forwarded to the school with money, using this form.

Monday 2nd	Mathematical Methods and Essential Mathematics
Wednesday 4th	General Mathematics
Thursday 5th	Specialist Mathematics
Friday 6th	Biology and Spanish
Tuesday 10th	Chemistry
Wednesday 11th	Psychology
Thursday 12th	Physics and Nutrition
Monday 16th	Music Studies

Open Boys Basketball State Final

On Wednesday of Week 1, the Open Boys Basketball Team travelled with Mr Johnson and Tim Harrison to Adelaide to compete for the State Championships against other schools from around the State.

Our first game was against Kapunda, a team that had beaten us convincingly in previous years. The game was tightly contested, with some brilliant gameplay both ways, with us eventually walking away with a 5-point win.

Our second game was against the much larger Gleeson College who had dropped down from Pool B and were going to be stiff competition. Our boys came out firing, taking Gleeson by surprise and getting off to a fast start and a 6-point lead. Gleeson pegged this lead back quickly with some sharp 3-point shooting, but our boys were up to the challenge with our big boys going to work in the paint, putting up consistent shots in heavy traffic to keep the scores even.

In the second half, Gleeson hit their stride from the 3-point line, hitting a few shots in succession that gave them a 14-point lead that they held onto until the final buzzer. An excellent matchup whose score line didn't fully reflect the quality of the game.

Our third game was against Seaton High School and was again a tightly contested affair. Some excellent defensive plays and finishing around the rim from our boys kept the scores level. The game came down to the dying seconds, until we gave away free throws. Seaton hit their first shot and managed to nab the rebound off the second shot and held possession until the clock wound down, running away with a 1-point win.

Our final match up was against Charles Campbell College and our boys came out firing on all cylinders, getting away to a big lead quickly. Our opposition were unlucky and struggled to make their shots, with a few missed calls also not going their way. Our three point shooting was excellent all game as well, with only a few missed shots that helped us hold onto a 15 point lead until the final buzzer sounded. Giving us third place overall after other results came in.

We are incredibly proud of the way the boys conducted themselves on and off the Court. Winning against some schools much larger than ours, and playing quality basketball against well drilled and organised teams. We may not have won, but the KFC we got from Murray Bridge on the drive home helped to soften the blow!

Elliott Johnson
Teacher

TALK-AND-WALK-A-THON

Ms Riley's and Mr Johnson's PBL class have commenced participating in the Talk-and-Walk-a-Thon during the next four weeks in support of October being Mental Health Month.

It's important that our students feel safe, connected and supported at school and within the wider community. The Talk-and-Walk-a-Thon has been designed to strengthen this feeling of connection and sense of belonging, allowing students to get to know other students at school.

Students will be invited to stretch their legs and talk about topics ranging from their favourite music, food, movies, sports and more with peers from another class. These topics will encourage engagement, help strengthen bonds and allow students to feel connected with people they see every day but may not necessarily know.

Lisa Riley
Student Engagement and
Wellbeing/FLO Coordinator

Yr 8/9 Statewide Football

The Year 8/9 Knockout Football team travelled to Mt Gambier to take on Tenison Woods College and Mt Gambier High School in the Statewide Schools competition. The boys played Mt Gambier High School first up and got off to a roaring start. Our midfield worked well gaining plenty of centre clearances in the first half. For the second half we made some changes and rested some players, which saw many of the younger players step up and continue with our strong performance.

The boys faced Tenison Woods College in the second match coming off of a strong win. Despite our momentum the very well drilled opponent stopped our run. Some early changes made little difference, as we struggled to move the ball into our forward 50 and score. However, the boys never gave up and maintained pressure for the whole game and got some points on the board.

Well done to all the boys for their efforts during both matches. Thank you to Will Malone and Steven Stewart for giving up their time to help umpire the matches.

Nick Lang
PE Teacher

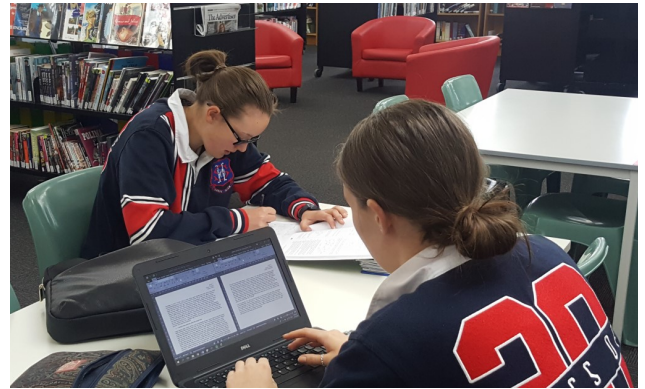

Library Resource Centre

This term we farewell our current Year 12 students. Some of them have been using the library to prepare for their exams and to finish off their final assignments.

The Library staff would like to wish them all good luck for their exams and best wishes for their future careers as they head out into the big wide world.

A reminder that all Year 12 textbooks, calculators and anything else borrowed from the Library, need to be returned after their final exam or after their final assignment has been completed.

From the Archives

Anita Miles, Library Manager

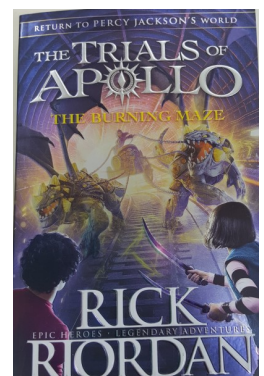

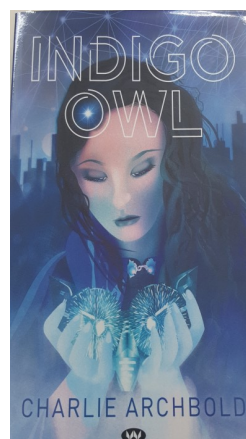

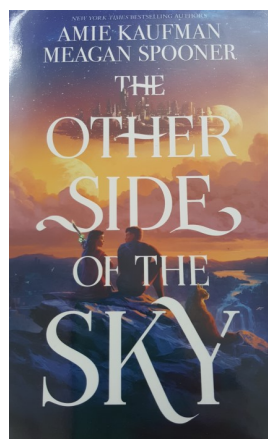

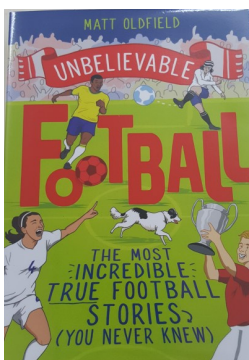

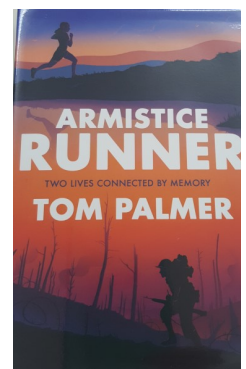

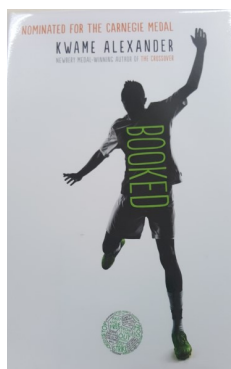

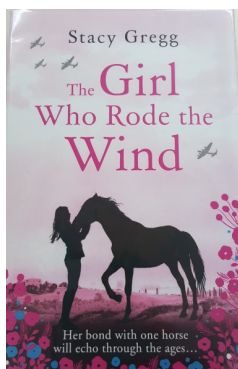

Library Resources

As this is a very stressful time of year for many students, with Year 12 exams and final assessment coming up and the difficulties this year has brought us with Covid 19, students are reminded that there is a range of self help books available to them through the School Library. As well as these books there are also many fiction titles that deal with life issues that could assist students.

Parents are reminded that they are also welcome to borrow these resources.

Nunga Screen short film showcase at Naracoorte Town Hall

Hosted by **Naracoorte Lucindale Council**

Sunday, 8 November 2020 from 13:00-15:30

Details

Nunga Screen features an entertaining program of independent films for all ages from emerging to the more established film-makers. Inspiring docos, compelling dramas, quirky animation, contemporary to traditional storytelling – this film event is dedicated to bringing communities together to share in culture.

Taking place in NAIDOC Week this year, this free event will showcase 13 films across regional South Australia, from town halls, to cinemas to drive-ins.

From animation in "Nganu and Tjilbruke: A Tale of Two Dreaming Heroes" to documentaries to controversy in "Mulka Man", Adnyamathanha Elder Roy Coulthard, the last wood carver of the Flinders Ranges who crosses traditional conventions to teach women the art of Mulka wood carving, to courtroom drama in "Language Matters" to primary school children's films, each Nunga Screen film has been chosen for its originality, humanity and skill.

Across the films you will recognise well-known names that have paved the way for younger generations including Lillian and Elaine Crombie and Allan Sumner who share their wisdom and strength.

Don't miss this FREE event this year during NAIDOC Week.

Inspired by the National Film & Sound Archive's Black Screen program, Nunga (Aboriginal people of southern South Australia) Screen is presented by Country Arts SA and the "Give up Smokes for Good" campaign from Drug and Alcohol Services of South Australia (DASSA), with support from the South Australian Film Corporation.

Seven short films will be screened at the Naracoorte Town Hall from 1-2pm on 8 November before a half-hour interval. After the interval, six short films will be screened at 2.30pm that are not suitable for children.

To book for the local event, phone the Naracoorte Visitor Information Centre on 8762 1399 or email naracoortevic@nlc.sa.gov.au

More information on Nunga Screen is available at www.countryarts.org.au/events/nunga-screen-2020/

Australian Government Mobile Service Centre

Serving Regional Australia
