2.20pm dismissal
- 15th GOOD FRIDAY

From the Principal ...

I am excited to join the Naracoorte High School community in 2022.

Whilst it has been an unusual start to the school year our educators have navigated the changing landscape with a focus on setting our students up for success.

Unfortunately, we have yet to have the opportunity to invite community into the school and we hope that in the coming weeks we will be able to host families in some capacity to celebrate the start of the school year, but in the meantime, we would like to introduce you to those staff who are new to our school in 2022.

Lynette Corletto – Principal
Qualifications

- 2021 Master of Education (Leadership) University of South Australia
- 2017 Graduate Diploma of Strategic Leadership DECD Registered Training Organisation
- 2002 Bachelor of Education, Upper Primary / Lower Secondary Flinders University
- 2000 Bachelor of Arts University of Adelaide

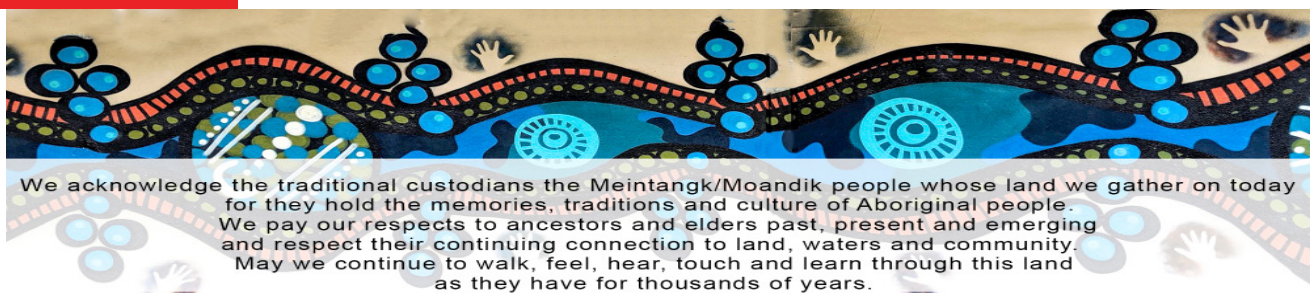

A secondary Drama and English teacher by trade, I have had an extensive career in education, working across levels of schooling from birth to Year 12.

My most recent role was as Team Leader, Student Support Services, where I lead a multi-disciplinary team supporting schools across the Limestone Coast Region, to address the barriers to learning and support students with additional learning needs through the provision of appropriate supports that promote an inclusive education.

Government of South Australia

Department for Education

We acknowledge the traditional custodians the Meintangk/Moandik people whose land we gather on today for they hold the memories, traditions and culture of Aboriginal people. We pay our respects to ancestors and elders past, present and emerging and respect their continuing connection to land, waters and community. May we continue to walk, feel, hear, touch and learn through this land as they have for thousands of years.

I am committed to school improvement, working closely with school-based teams through instructional leadership, evidence-based practice and data analysis to develop appropriate interventions and whole school approaches to pedagogy.

I am committed to developing myself as a person and a leader in our region and am looking forward to embarking upon our journey together as a staff member and wider community, to positively influence the quality of educational outcomes, Year 7 to post-schooling pathways.

Regards
Lynette Corletto

INTRODUCING OUR NEW STAFF.....

I am happy to be returning to Naracoorte High School this year. I have been teaching for 14 years and have worked in schools around Australia teaching classes from R-10.

My background before teaching was as a member of the Australian Defence Force-Army as a qualified chef and have I completed an initial year as an automotive apprentice after finishing Year 12.

I am married and we have two boys, aged 23 and 21. My husband was a member of the Army also and spent 31 years working around the world. He now currently drives the Hynam bus. As a family, we have lived in Naracoorte for 12 years and have travelled extensively around Australia and the world.

I recently completed a year at Frances PS and was previously employed at NHS from 2014-2020. I teach Science, Visual Arts, Maths and HASS.

My hobbies are keeping fit, reading, watching movies, art-fluid pours and tile mosaics, travelling and spending time with friends and family.

My passion is teaching young people and watching them grow into confident and resilient adults.

Linda Currie

My name is Joshua Fitzpatrick. I studied a Bachelor of Science at UniSA, before completing my Master of Teaching at Curtin University. I have just moved to Naracoorte to work as a Maths and Science teacher, from Murray Bridge, where I have lived for the past 5 years, but I am a city boy and grew up in Adelaide. I am engaged to my fiancée Chloe, who works as a nurse in Lameroo, Pinnaroo and Murray Bridge.

Before becoming a teacher, I worked as an SSO in inclusive settings and have worked as a disability support worker. I have a particular interest in inclusive education, and I am planning to complete my PhD on social supports for neurodiverse students. I am currently one promotion short of a black belt in Taekwondo, and I am a one-eyed Port Adelaide supporter. I look forward to working as part of the Naracoorte High School team this year.

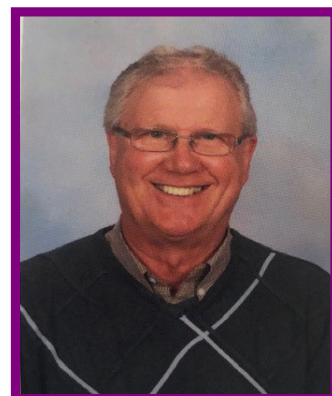

Joshua Fitzpatrick

Hello, my name is Paul McCarthy and I am married with three kids, one of which attends the NHS. I have been teaching since 2000 and have taught in a variety of rural settings including Whyalla, Clare, Wallaroo and Naracoorte South Primary School. I have many sports hobbies including water sports, golf and football. This year I will be teaching Year 7 Mathematics and HPE and look forward to the challenge of working in a larger school with specialised subjects and facilities.

Paul McCarthy

My name is Byron Edwards and I am a new addition to the SSO team at NHS for 2022. Born in Wales I arrived in Australia in 1982. I settled in NSW and later moved to the South East in 2004. I am a father of four adult children and grandfather of five. Some of my interests include sports, movies and travelling. I have enjoyed working with and supporting families for more than thirty years. Most recently I have worked as an SSO at Naracoorte Primary School and Padthaway Primary School and now look forward to my time at NHS.

Byron Edwards

INTRODUCING OUR NEW STAFF.....

My wife and I made the decision many years ago that we wanted to retire to the South East, and to Penola in particular. I was teaching at Eastern Fleurieu School in Strathalbyn where I had initially moved after returning to Australia from overseas to run a small café. After I sold it I was invited to teach Home Economics, Food and Hospitality and Vocational Hospitality subjects at EFS. We moved to Penola at the end of 2019 and I started my teaching in the SE here at Naracoorte HS teaching Mathematics for six weeks before commencing a long term contract at Penola HS teaching Home Ec and Food and Hospitality. I “retired” at the end of Semester 1 last year and filled my time undertaking further Hospitality and Cooking study at TAFE as well as some kitchen work in a local pub.

I am excited to be involved in the renewal of Home Ec and related subjects at NHS and setting up the revamped kitchen classroom area.

Gavin Kernot

Hi everyone! My name is Felicity Slotegraaf, but most people know me as Flic, and at school as Mrs. Slots. I grew up in Adelaide by the beach, and love nothing more than getting sand between my toes whenever I have the opportunity.

I moved to Naracoorte 15 years ago to take up a Primary teaching position at Naracoorte South Primary School, and since then have taught in the Upper Primary classes, as well as filling other roles including Literacy Coach and Deputy Principal. I met my husband in Naracoorte, and we have two young children who keep us very busy! We live on 2.5 acres, with plenty of room to be outside in the garden, which I thoroughly enjoy.

I enjoy travelling, and have been lucky enough to have had many amazing experiences including skydiving in the Austrian Alps, climbing a volcano in Chile and hiking the trail to Machu Picchu in Peru. I am also a big sport fan, both as a player and as a spectator, though as a Collingwood supporter, last year was not the most enjoyable one to watch!

This year I will be teaching Year 7 classes in the HASS and English Learning Areas. I am very excited about the move to the High School as a new professional challenge, and most importantly I get to keep working with my favourite group of students, Middle Schoolers. I look forward to working alongside you all this year and beyond.

Felicity Slotegraaf

My name is Teshia Wilkinson. I am a mum to two boys, both attending the school, and spend my free time getting them to their basketball commitments, reading and cooking.

I have been an SSO since January 2012 starting at Frances Primary school as classroom support and bus driver. I studied my Cert III in Education support shortly after starting, and have since completed a Diploma in Early Childhood Education and Care along with training in literacy and numeracy intervention programs, speech and language intervention, behavioral and autism support. I also worked at Michelle DeGaris Kindergarten, then Padthaway Primary school for 2.5 years. Most recently I have worked at Naracoorte Primary for the past 3.5 years running the QuickSmart Maths intervention program, different literacy programs, speech and intervention programs and classroom support. I am extremely passionate about my work and am very excited to be at Naracoorte High this year.

Teshia Wilkinson

INTRODUCING OUR NEW STAFF.....

After my first career as a bookseller in Adelaide I retrained to become a teacher. I've been teaching for 16 Years, starting in Indulkana which is in the APY Lands in the far north of South Australia. For the past 13 years I have lived and worked in the Limestone Coast. I've taught at schools in Mount Gambier, Padthaway, Penola, and most recently Lucindale.

This year I am teaching Year 8 and 9 English and Year 7 and 8 Digital Technology. These two subjects allow me to draw on my interests in reading and writing and technology in general. I'm a keen motorcyclist and enjoy all things practical. I've really enjoyed meeting the students in my new classes. I'm looking forward to supporting students to develop their individual capabilities, personal interests and understanding of the world we live in.

Tyrone Stapleton

I have been teaching in high schools for over 20 years in both regional and metropolitan locations. I also worked overseas in Tonga for a couple of years early in my career. Most recently I taught in the Adelaide Hills at Birdwood High and lived in Nairne with my family for the past ten years. My wife, Rebecca and I are grateful for the opportunity to live and work in Naracoorte after the Adelaide Hills started to get a bit too crowded for our liking! My son, Max has started in Year 9 at Naracoorte High and my daughter, Florrie is in Year 4 at Naracoorte Primary.

I am teaching Year 7 and 8 English and HASS with a Year 7 Home Class. In the past I have also taught Art, Media, and Digital Technology. My initial impression of the students has been positive, they seem like a good bunch of kids who are eager to learn and share ideas. The people of Naracoorte have been super friendly and laid-back and have been nothing but welcoming. I love walking and have been busy exploring the tracks around the district and I am keen to check out the camp sites in the area too. Happy to be here and I look forward to meeting more of the community.

Stephen Harvey

Hi my name is Kasia Cichonski and I was born and raised in Naracoorte. I lived in Adelaide in my early 20's and moved back home 10 years later. You may know me from the old music shop where I worked for many years or the Naracoorte Caves Cafe where I still work on weekends and during school holidays.

I also worked as an SSO at the Naracoorte Primary School for just over 2 years giving classroom support to the teachers and several children.

I am now working at the Naracoorte High School and loving being part of the dynamic, friendly team that makes up our workforce.

My aim while I am working here is to be of value to the school and all the children I support, helping and encouraging them to be the best they can be.

I love gardening, nature and animals, spending time with my amazing parents and as a qualified Naturopath I have a lifelong interest in health, fitness, slowing the ageing process and natural therapies.

Kasia Cichonski

427 ARMY CADET UNIT NARACOORTE

As an Army Cadet you have the opportunity to experience things that most teens don't get to do in everyday life!

The Australian Army Cadets (AAC) is a community-based youth development organisation, adopting the values of the Australian Defence Force – *Service, Courage, Respect, Integrity and Excellence* – to empower youth to achieve their potential.

The AAC provides teenagers with opportunities to develop skills including leadership, initiative, teamwork and problem-solving in a safe, challenging and fun environment.

Amongst other things, Cadets participate in adventurous military-themed bivouacs, become trained in first aid, learn radio procedures, navigation and drill.

To top it off you get the chance to develop yourself as a person, with self-discipline and confidence.

Who can join?

Girls and boys who are Australian residents, in Year 7 or higher, aged 13 years old (or turning 13 in 2021) but not yet 17, can become Army Cadets.

Have some serious fun
Challenge yourself
Make new friends
Learn new Skills
Adventurous training
Earn SACE points

Term 1 commences
Wednesday
16 February 2022

Come along and try
it for yourself!! *
