From Our Principal...

Dear Families,

We have had a fabulous start to 2023, beginning with the presentation of the Community Event of the Year awarded for Pathways to a Pay Packet and the Agriculture Expo. We have an exceptional team at Naracoorte High who work in partnership with local business and community agencies to ensure our students are inspired and supported to thrive. It is heartening that our efforts are being acknowledged and celebrated in the community; this is a credit to Tammy Schinckel, Nadia Sears, Bronwyn Longbottom, Amanda Mangelsen, Emma Phillips, Chelsea Dahlenburg and the broader staff team for their contributions to events in 2022.

Lynette Corletto

Our Ambitions for Learning

Our staff participated in two days of connecting, learning and building community toward our ambitions, for the learning of students at Naracoorte High School. We have begun to lay the foundations for our work together as a whole school team into 2023.

Government
of South Australia

Department for Education

We acknowledge the traditional custodians the Meintangk/Moandik people whose land we gather on today for they hold the memories, traditions and culture of Aboriginal people. We pay our respects to ancestors and elders past, present and emerging and respect their continuing connection to land, waters and community. May we continue to walk, feel, hear, touch and learn through this land as they have for thousands of years.

From Our Principal

The purpose of Public Education

There is now an opportunity for parents, students, and the wider community to help us create our shared purpose. A letter from our Chief Executive Professor Martin Westwell was forwarded to you via email this week. I encourage parents and carers to complete the parent and carer survey (education.sa.gov.au/carersurvey).

Introducing our new staff

Please join me in welcoming our new staff members to Naracoorte High School:

- Steven Moores – Teacher, English and Performing Arts.
- Lucy Walker – SSO, classroom support
- Daniel Sribar –GSE, Grounds and Maintenance role.

Student Free Day

Governing Council have approved a Student Free Day for Friday March 10 for the purpose of staff training in Verbal De-escalation strategies. The training will assist our team to further develop strategies for supporting our young people to better manage themselves when things go wrong. This builds on our work in 2022 focused on Restorative Practices toward a common, whole site approach.

The Executive team at Naracoorte High in 2023 is formed by Felicity Slotegraaf, Tammy Schinckel, Kieron Hicks and myself. Together, we lead the strategic direction of the school and provide oversight for the learning, engagement and wellbeing of students at Naracoorte High.

On behalf of the team we look forward to a fabulous year at Naracoorte High School.

Year 12 Retreat

The year 12s started their final year of school on Retreat in Robe. Students had the opportunity to choose their year 12 mentor and start the conversations of how they wanted their year to start.

The next part of the day took them out for a bit of fun, having lunch in Robe and choosing to either participate in mountain bike riding, surfing or taking one of the many walks around Robe. We ended the day setting up our expectations for 2023, and the jumper, celebration ball and common room committees were formed. They conversed with the leadership team, learning more about our collective journey for year 12.

On the second day, we finalised timetables and had 2 sessions with Elevate to support the students with their time management and study skills. After another stellar meal by Tarooki, we hopped on the buses to head home, back to the reality of their last year of formal schooling. I am looking forward to helping students meet their schooling goals throughout 2023.

Welcome to our new Year 7 students and their families!

During the first week of term, all Year 7 students were given the opportunity to explore the Library during orientation sessions. They learnt how to search for resources, how to locate items on the shelves, what is available to them at recess and lunchtimes as well as the general library rules.

The Library has also been busy with the allocation of class textbooks. Students are reminded that they are expected to look after any textbooks / library resources that they borrow and we appreciate parent support in reinforcing this at home.

We still have a number of books that have not been returned from last year. Parents will be notified if their student still has books outstanding for 2022. Please have a good check at home as invoices will be issued for any books that are not returned.

Thank you for your cooperation.

THE HON PETER MALINAUSKAS MP
PREMIER OF SOUTH AUSTRALIA

TO: THE PRINCIPAL AND SCHOOL COMMUNITY

RE: PREMIER'S READING CHALLENGE

Welcome back to a new school year and the 20th year of the Premier's Reading Challenge in South Australia.

I am challenging South Australian students from Reception to Year 12 to read 12 books by 8 September 2023.

The Premier's Reading Challenge continues, with over 124,880 students from 691 schools completing the Challenge in 2022. Many students educated at home also took part in the Challenge.

Almost 97 per cent of all South Australian schools had students completing the Challenge. This is an outstanding achievement and I thank you all for your time and efforts in supporting children and their families to complete the Challenge.

I congratulate all these schools on their results.

The Challenge has been fortunate to have 22 high profile and enthusiastic ambassadors who inspire students to enjoy reading and achieve their goals. Adelaide United Football Club, Adelaide Lightning Basketball Club, Adelaide 36ers Basketball Club, Port Adelaide Football Club, Adelaide Football Club, Thunderbirds Netball Club and SA Scorpions have also thrown their support behind the Challenge and Premier's be active Challenge as joint ambassador teams.

The Premier's Reading Challenge continues to be an important initiative that supports the State Government's commitment to Literacy Guarantee for young South Australians and encourages them to enjoy reading.

All information about the Challenge is on the Premier's Reading Challenge website at www.prc.sa.edu.au, phone (08) 8226 2006 or email prc@sa.gov.au. A school contact person is requested to coordinate your school's participation on behalf of all teachers, staff and students at your school.

I encourage all students to discover the world of reading with the Premier's Reading Challenge and keep up the momentum. I wish you every success in 2023.

Yours sincerely
