

Huge news for Hahn!

Elise Hahn selected to represent SA in the Australian Football Championships!

A huge congratulations to Elise Hahn who has been selected to represent School Sport SA in the 15 and Under Australian Football Championship.

Over the past couple of months, Elise has spent many hours travelling back and fourth to Adelaide to trial for the 15 and under School Sport SA girls Football Team.

Her dedication and hard work has paid off after making it through four trials, with approximately 140 players competing to be selected in the final squad of 25.

After the news broke of Elise's selection in the team, she said she just "can't wait".

Elise will compete in the championship which is set to be held in Moreton Bay, Queensland from 26 July to 2 August.

We wish Elise all the best and can't wait to hear all about it on her return.

School Captains Report

Naracoorte High has started off Term 2 with a bang!

The Functional Literacy and Numeracy Class held a fundraiser to support The Australian Marine Conservation Society, as well as The Dylan Alcott Foundation.

These charities strive to increase the health of our oceans and improving the confidence of young Australians living with disabilities respectively, two very deserving causes.

Within week one, we also celebrated the beginning of recognising rights and responsibilities in action allowing students to be acknowledged for respectful and engaged behaviour.

As School Captains, we attended a meeting with multiple other South East Schools in hope to improve our leadership structure, and increase student involvement.

The Page turners Book Club is up and running with the lovely Mrs. Borg returning from her leave in Term 1.

As the term continues, we farewell one of our School Captains, Alberta, as she is moving away from the South East. Although this is a sudden and sad change, we will continue with to implement ideas, and uphold the school's values.

Lastly, to recognise our hardworking Year 12's outstanding efforts, we will celebrate their halfway day with the Big Freeze. In Week 6 this term, we will be dunking 2 nominated students from each year level, a House Captain, a School Captain, and six staff members in an ice bath to support the MND foundation, raising money for the aid organisation. Students are encouraged to wear their MND beanies during the event.

We hope Term 2 will continue to be fun and engaging for all students, improving our school along the way.

Past Student Feature

Past student Imogen Bates, is celebrating success! After graduating from NHS in 2019, Imogen has gone on to achieve incredible things through her university studies, here's Imogen's story...

Recently Imogen was advised that she had won the Pharmaceutical Society of South Australia Gold Medal for 2024. She graduated in April and is currently on an internship year at Terry White here in Naracoorte.

The SA Gold Medal is awarded on completion of the Bachelor of Pharmacy at the University of SA to the student who has the highest grade point average and has completed the program within four academic years, providing the final GPA is above 6.25.

Given the stringent criteria the PSA Gold Medal is not awarded every year. It is the most prestigious student award and has been awarded since 1896.

Imogen was awarded her gold medal at The Playford in Adelaide last Friday night and the medal is actually pure gold!

Imogen's family and the wider community are very proud of her achievement and thrilled to see all her hard work and dedication to her studies rewarded.

Congratulations Imogen, we love to see our past students following their dreams and hearing achieving success!

Anti Racism Education

Naracoorte Stands Against Racism!

This term, students at Naracoorte High School are participating in an Anti-Racism education program during weekly Home Group sessions. The program encourages students to reflect on real-life scenarios and stories, promoting respectful discussion and action around racism, culture, and identity.

Prompted by survey results showing that 73% of students believe racism is an issue at NHS, the initiative focuses on the school's motto: "I Speak Up. I Listen. I Learn."

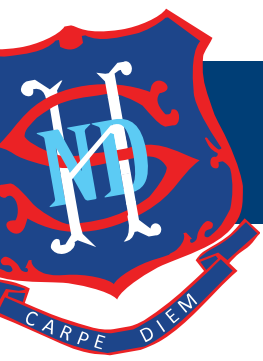

Some of the topics that are being explored include:

- Understanding what racism is and how to actively oppose it.
- Respecting cultural differences in names, traditions, and appearances

- Learning about key figures such as Faith Bandler and Eddie Mabo, whose legacies continue to shape Australia's progress toward equality
- Responding appropriately to the use of racial slurs and discriminatory language

This ongoing work is helping to build a safer, more inclusive environment where every student is heard, supported, and empowered to make a difference.

Performing Arts

Join us for our end of Semester Arts Showcase: Celebrating the work of Naracoorte High Schools Visual and Performing ARTS Students!

We are thrilled to invite our local community to the End of Semester Arts Showcase, a vibrant celebration of the creative achievements of our students in Drama, Visual Art, Music, Dance, and Media Studies.

Throughout Semester 1, students from Classes 7B, 7C, 8A, and 8B have been exploring a range of artistic disciplines and developing performance and visual arts pieces that they will proudly present during this showcase event.

Student Involvement

Year 7: Students have delved into the world of Greek Mythology, drawing inspiration from the stories, characters, and performance styles of Ancient Greek Theatre. They will be performing dramatic pieces and dances inspired by Greek myths, alongside original artworks that reflect their learning.

Year 8: Our Year 8 students have been working with the contemporary play "April Aardvark", a powerful piece that explores themes of social media, identity, and bullying. Students will include dramatic performances and visual responses that tackle these important themes with creativity and insight.

Additional Performances

- Alice in Wonderland range of scenes from our Drama Club Students
- A Musical Theatre performance of Annie presented by the Show Choir Club
- Live musical pieces performed by Geoff Stephens' Music students
- A spectacular performance from students who have completed the Australian Ballet Dance Workshop, led by their Professional Education and Outreach team.

- Art and Photography Exhibition of Year 9 to 11 students in the ARTS rooms and around the outside of the hall.

Performance Times

Wednesday 18th June, School Hall and ARTS Areas.

12:00pm – Primary School Only Matinée. (Yr5 and Yr6 from Naracoorte Primary, South School, Frances and Padthaway TBC.)

6:00pm – Evening Performance for Families and the Wider Community.

Entry to the evening performance is by Gold Coin Donation, with proceeds going towards future ARTS productions, excursions, and essential creative resources for our students.

The performance will run for approximately 90 minutes and promises to be an engaging and inspiring display of student talent, hard work, and imagination.

Come and support our young creatives as they take to the stage and transform the hall into a celebration of visual art, storytelling, movement, and music. We look forward to seeing you there!
