Exciting Scholarship win for Cooper!

Cooper honoured at Government House, where he received the prestigious Dame Roma Mitchell Scholarship!

The award was presented by the Governor of South Australia, The Honourable Frances Adamson AC at a special awards ceremony back in May.

This outstanding achievement recognises Cooper's dedication to his learning, personal growth, and commitment to achieving his SACE goals. The scholarship will provide valuable support as he continues his educational journey.

Naracoorte High School is incredibly proud of Cooper and congratulates him on this remarkable accomplishment. We wish him every success in his future studies and endeavours.

Well done Cooper!

HIGH SCHOOL

SCHOOL SPORT REMINDERS & EXPECTATIONS

Term 2 and Term 3 include a large number of Statewide and Zone sporting events

It is really important that students are regularly checking Sentral for notices for nomination, trial, uniform collection and meeting information.

IMPORTANT REMINDERS

- >> Please attend scheduled meetings in a timely manner.
- >> If you are nominating for an event you need to be fully committed.
- >> If circumstances change and you can no longer attend an event, please make sure you notify the teacher in charge as early as possible.
- >> Please return uniforms in a timely manner.

Thank you for your support!

We acknowledge the traditional custodians the Meintangk/Moandik people whose land we gather on today for they hold the memories, traditions and culture of Aboriginal people.

We pay our respects to ancestors and elders past, present and emerging and respect their continuing connection to land, waters and community. May we continue to walk, feel, hear, touch and learn through this land as they have for thousands of years.

TRY A TRADE

Try a Trade Week

In Week 4 of Term –Year 10 students had the opportunity to participate in Try a Trade 2026 at Naracoorte High.

On Monday all students participating achieved their White Card. The White Card is also known as general construction induction card. It is an essential license for anyone looking to work in the construction industry.

Tuesday the students tried their hand at Construction all building a fold up picnic chair.

Wednesday was tiling followed by Thursday Bricklaying and finishing the week with Plumbing.

This opportunity was available to all of your Year 10 students and I commend the 10 that took up the opportunity to further their skills and knowledge about a range of trades. Thanks to CITB for funding this pathway opportunity and TAFE SA for delivery.

On Tuesday 19th May, four students and Tammy attended a medical imaging Hosted Industry Immersion at Mount Gambier Hospital.

Students got to hear from professionals in the area and get up close with many aspects of medical imaging from X rays, MRI, CT scans and Nuclear Medicine. Thanks to Benson Radiology for hosting this experience for students throughout the Limestone Coast. The students that attended found it most valuable and interesting.

Cross Country

Mrs Block, Mr Agnew and 11 competitive, super-speedy students travelled to the Mount Gambier Blue Lake Sports Park in Week 5 to compete in the annual Cross Country event.

Our students represented the school with determination, resilience and excellent sportsmanship throughout the day. We achieved some fantastic results across several age groups and also won the shield for the 13 Year Old girls age group! Congratulations to all students who participated and gave their best effort. It was a fun, energetic day out and a wonderful opportunity for students to challenge themselves against strong competition from across the region.

Special mention to Alexis, Jimmy, Winnie and Skye for their podium finish!

9/10 Statewide Football

Last week our 9/10 Football team travelled to Mount Gambier to compete in Round 1 of the Statewide Football competition, against Mount Gambier High and Grant High school.

Game 1 Results:

Naracoorte 8.3 51 def. Mt Gambier High 2.4 16
Best Players: Reti, White, Biggins, Moss, Morton

Game 2 Results:

Grant High 3.9 27 def. Naracoorte 3.3 21
Best Players: Lush, Moss, Phelan, Warnakula, Wight

Congratulations to all of our team following some wonderful feedback received from Mount Gambier High School.

A staff member attending a recent game was incredibly impressed by the kindness, patience, inclusion, and respect shown by our players. They shared that the positive interactions between our students and a young person they were supporting made a lasting impact and created an experience that will be remembered for a long time.

Thank you to all team members for representing our school so positively and demonstrating the values that make our school community so special.

Great effort boys!

Dance Workshop

All Year 7 Students had the incredible experience of accessing a free three-day Dance Workshop, made accessible by The Australian Ballet.

Balar Diburr – This contemporary-ballet duet tells a story of growth and resilience through the journey of the balar diburr (bernie bean), a native seed from the rainforest lands of Kubirri (Mossman, North Queensland). Guided by the wisdom of animals and shaped by its journey through land and water, Balar gains the strength to step beyond its comfort zone and find its purpose, identity, and legacy. Grounded in First Nations storytelling and cultural knowledge, Balar Diburr invites young audiences to reflect on change, perseverance and finding one's place in the world.

Story, Music, Weaving – Jankaji Ngadijina – Merindi Schrieber (Kuku Yalanji: Kubirriwarra, Julaywarra)

Cultural and Language Advisor: Dimurr – Daphne Naden (Kuku Yalanji: Kubirriwarra, Julaywarra)

Props: Burri Kari – Kubirriwarra (Kuku Yalanji)

Outdoor Ed Camp

Year 10 & 12 Outdoor Education Adventure in the Grampians. During week 6 our Year 10 and Year 12 Outdoor Education students recently completed a memorable camp in the Grampians, demonstrating resilience, teamwork and a positive attitude throughout the experience.

With rain, cold temperatures and muddy tracks greeting the group, students were pushed outside their comfort zones from the very beginning. Rather than letting the weather dampen their spirits, students embraced the challenge and tackled a series of demanding hikes through some of the Grampians' most spectacular landscapes.

The wet conditions made many sections of the trails more difficult, requiring students to carefully navigate slippery terrain while supporting one another along

the way. Whether climbing steep sections, carrying heavy packs or setting up camp in the rain, students consistently showed determination and perseverance.

The camp was a fantastic opportunity for students to build confidence, develop outdoor skills and strengthen friendships. We are incredibly proud of the way all students approached the experience, demonstrating resilience, teamwork and a willingness to embrace adventure.

A special thank you to Dylan, Lizzy, Jack and Tim who supported the camp and braved the rain to help ensure a safe, enjoyable and rewarding experience.

PREMIER'S READING Challenge

Less than 12 weeks to go! How many books has your student read this year? To complete the Premier's Reading Challenge students need to read at least 12 books of their choice and to complete a PRC record sheet (available from the library, their English teacher or the Premier's Reading Challenge website).

Students will gain 5 house points for completing the challenge, plus if they are the top PRC reader for their year level they will receive an additional 5 house points.

Further information on the PRC can be found at: www.premiersreadingchallenge.sa.edu.au/parents-families/

Term 1 Outstanding Loans

There are still 125 student loans outstanding from Term 1, 2026. Please ask your student/s to check at home and to return any items borrowed during Term 1.

Emails will be sent out to parents shortly with a list of outstanding items. Thank you for your support.

SLASA Conference 2026

Last week, school library staff from across the state came together in Adelaide to attend the SLASA (School Library Association of South Australia) Annual Conference. The theme for this year's conference was "Plot Twist – From Page to Powerful Thought."

The conference provided library staff, many of whom work alone in managing their library spaces, with an opportunity to collaborate, share ideas, participate in professional learning sessions, and hear from keynote speakers. Presentations explored a range of topics, including the role of school libraries, the importance of reading and the impact of artificial intelligence on media literacy within schools.

This year's keynote speakers included Dr Margaret Merga, Dr Kaye Oddone, Megan Daley, and Stephanie Smith from the Australian Media Literacy Alliance.

NEW ARRIVALS IN THE LIBRARY...

Are you the parent/ carer of a bullied child?

Coping with Bullying:
Parental Experiences
(COPE)

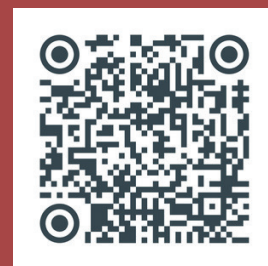

The COPE project focuses on the experiences of parents when their child is being bullied.

We're looking for parents/ carers to participate in our study

- If you are a parent/carer of a child who has been bullied in school, please consider participating in our survey.
- The survey explores your child's experiences of bullying, your experiences of working with schools to address the bullying, and the impact of the bullying on your well-being.
- The survey is anonymous and should take no more than 15 minutes to complete.
