Mathematics – Full Year	History – 1 Semester

SPECIALIST SUBJECTS

In each semester of Year 10, students complete 2 choice subjects (a total of 4 for the year).
In semester 2 students will also complete a choice HASS subject.

Choices for 2027:

- Select 4 preference subjects and 4 reserve subjects.
- Select 1 HASS choice preference and 1 HASS reserve choice for semester 2.

Important Information:

- You can preference each subject once.
- If selecting French, you must pick either course A or A and B (you cannot only select course B).

Indicate your choices by:

- numbering your preferences using 1, 2, 3, 4 in the **P** column
- numbering your reserve choices using 1, 2, 3, 4 in the **R** column

Further information about course offerings is available on the Naracoorte High School website via the following link: **Year 9 & 10 Course Handbook:** www.narahs.sa.edu.au/curriculum/middle-school/
